people from all walks of life and encouraged everyone to develop a relationship with God for themselves. In 2000, she and Pastor Nightingale moved once again. This time God was drawing them closer to their divine purpose. Lady Nightingale remembers a prophetic word by Pastor Isreal that she spoke in 1997 before they moved to Texas that God was taking them out to bring them in. After Pastor Isreal went home to be with the Lord, Lady Nightingale had the privilege of being under the guidance of Bishop Jasper Rolle, Jr. who is the Presiding Prelate of the Abundant Life Ministries and Lady Barbara Rolle. Currently, Pastor and Lady Nightingale are under the leadership of Overseer Jean Dimmock of Blessed Assurance Ministries in Savannah, Georgia.

Today, Lady Nightingale is the Treasurer, Administrator and First Lady of Guiding Light Ministries, Inc. This organization was founded by Pastor Nightingale in 2003. She wears many hats in the ministry. She enjoys leading the congregation into praise and worship.
